NOTICE

The County Council has notified the Bar Hill News that a number of bus services may change in September. They attached a table which I've checked. **Bar Hill services appear unaffected.** However, you may wish to check before you travel: phone Stagecoach on 01223 433250, or look on their website: <http://www.stagecoachbus.com/tis-service-update-details.aspx?id=438>.

Dear Reader

A lot of articles have been submitted this month. In preparing this issue, I have had a couple of difficult e-mail conversations with contributors over the length of articles and space available to them.

This 30-page publication contains 14 pages of advertising, which pays for the machinery and comestibles to produce BHN, leaving 16 pages to reflect all facets of village life.

With autumn activities and Christmas round the corner, I'm guessing there will be many contributions in the next few months. May I therefore respectfully request that **articles are kept to a maximum of 350 words**, please? I reserve the right to amend text to fit available space.

Thank you, Editor

[In case it is helpful in gauging future articles, this message contains 128 words.]

– STORYTIME AT BAR HILL LIBRARY –

Stories and pictures, rhymes, songs and craft activities
– 10.30 am at Bar Hill Library on the second and fourth Saturday each month.

Storytime is continuing throughout the summer and into the autumn. Open to children of pre-school age and their older brothers and sisters accompanied by an adult, it offers half an hour – often more – of book based enjoyment twice a month.

We have focused on colours, pirates and rabbits recently, exploring those with stories, songs and craft activities and colouring.

This free event opens up the treasure that books present, introducing young children to their local library and revealing to them all that is to be gained from learning to read. There is no need to book; just come along.

IN MEMORY OF MARTIN BACON

Ashleigh Jolley is selling silicone wristbands in memory of the Swavesey Village College Principal. They cost £1.50 each, with all proceeds going to Brain Tumour UK.

Flu clinics – we expect to receive our flu vaccines by the first week in October. Please ring towards the end of September to make an appointment in one of our flu clinics. Flu vaccination is recommended and is free under the NHS to all people of 65 years and over, pregnant women, and those of any age with a long term medical condition, for example diabetes, heart disease, kidney or liver disease, asthma or any breathing disorder. Carers (in receipt of Carers Allowance) are also eligible.

Flu immunisation for children – this year sees an extension to the flu programme to include children who will be over 2 years and under 4 years of age on 1st September 2013. The immunisation will be in the form of a nasal spray. Please contact the surgery to make an appointment.

Shingles vaccinations – this winter sees the introduction of a shingles vaccination for patients who will be aged 70 years on 1st September 2013. There is also a catch up programme for patients aged 79 years (born between 2/9/33 and 1/9/34). Please contact the surgery for an appointment or for more information.

Going to Sixth Form or University in September? Often a change in environment can lead to outbreaks of preventable diseases, e.g. mumps and measles. Our nurses would be happy to check your immunisation status and provide any routine vaccinations needed. Book an appointment or a telephone consultation with a nurse. Crossroads Care Cambridgeshire – provides services and help for carers and their families. On Thursday 19th September at 2pm they will be running a drop-in session for Carers at Willingham surgery. They will answer any questions and give information about the work they do. Please come along to see what support is available to you.

Repeat Prescription Ordering – please note that there is a dedicated phone number – 01954 260073. Please allow at least 2 working days before collecting your medication, in order that we meet legislation requirements.

Acknowledgements – our grateful thanks to the family and friends of Mr John Wales for their kind donation in his memory.

Dear Editor

The hot weather has brought about much activity on the Bar Hill allotments. It has been exciting to see all the work produce such an abundance of vegetables and fruit. It has made us think about just how worthwhile it is growing your own produce. The quality and taste simply can't be beaten and eating your meals knowing that a couple of hours ago it was in the ground is very rewarding. It can also save such a lot of money and is also environmentally sustainable. We are a friendly group of people who have the opportunity to share ideas and celebrate their successes together. We currently have a handful of plots and half plots available and wanted to remind everyone that the impending autumn is the time to start getting your plot ready for next year's produce. It is also possible to grow a wide range of winter crops to take you through until Spring. So, if you are interested in taking one of these plots to please call our plot allocator, Rob Lawrence, on 07788 590348. We look forward to meeting you soon!

Best wishes

Bar Hill Residents' Association

The inaugural meeting of the Bar Hill Residents' Association took place on 20th October 1967. It was attended by 27 residents, representing most of the families then living here. It resolved, particularly, to raise funds to promote the interests of the village and to keep residents informed of matters of interest to them.

I have copies of these minutes.

Best regards, *Robert Tompkins*

I shall be taking orders from August for baking rich fruit cakes in September to mature ready for Christmas.

Prices from £5 to serve 2 up to £48 for a 10" square cake serving 40. Please get in touch to get a full price and size list.

The rich fruit cake contains brandy and almonds and comes iced with marzipan and icing on a cake board. I also make a madeira which contains fresh lemon and comes iced and on a cake board.

I prefer to give customers a blank canvas for their own decorations. I can arrange for decorations if required. Special dietary requirements can be requested.

Thank you in anticipation of your orders.

Kindest regards

HAPPY HOURS – NEWSLETTER

Anne has finished our competition schedules and members can begin their various games. As well as Bingo we purchased some large playing cards and tried a game of Play Your Cards Right, something different for members.

Our speaker this month was War Evacuees which brought back many memories. A lovely man who "chatted" rather than "spoke". It had started with his granddaughter doing school work and expanded from there. He told us of his experience of being evacuated to a farm in Lincolnshire. He had gathered many items: posters, ration books, gas mask etc. from the war. Many people do not realise that children often went four and five years without seeing their parents and were then expected to resume normal life with these almost-strangers.

We welcomed back Isher who is helping during the school holidays. What a lovely thought and deed.

We had an outing to Saffron Walden, Long Melford and Lavenham. Despite the showers, which we managed to dodge, we had a lovely day.

We shall now welcome our new baby prince with a party during August.

HAVE A FUN DAY OUT WITH YOUR DOG

On Sunday 8 September, as part of the Food, Farming and Countryside Day at Milton Country Park, there will be a fun dog show in aid of Hearing Dogs for Deaf People. Why not make a day of it? Have lunch and check out all the stalls. The park is dog friendly and you can have a leisurely off lead walk in most of the park.

There will be 12 classes, including a fun scurry (*how fast can your dog jump over logs to retrieve a toy*), obstacle course (*if the dog can't manage the obstacle then the owner has to do it!*), fastest 'sit' competition, plus cutest puppy, golden oldie and best trick to name but a few. There will be certificates and rosettes for 1st–3rd in each class, the winner will receive dog food, and there will be lucky entrant number prizes. Best in show will also receive a rather special prize.

Entry is from 11am and classes start at noon. Each class is £1.50 per dog. Vets from Village Vet will be judging. Trophy Pet Foods will be there. Hearing Dogs will be selling merchandise, running a tombola and a book stall, and we will have lots of information about the charity. Hopefully there will be some trainee Hearing Dog Pups to make a fuss of too.

For further information please contact Pam Harper, Hearing Dog Puppy Socialiser, pjh@harpersonline.com, 01954 781664; or Jenny Parker, Hearing Dogs for Deaf People, Cambridge Branch Co-ordinator, jennifer.parker5@btopenworld.com, 01223 833562 (evenings preferred).

Hope to see lots of you with your dogs on 8 September.

BAR HILL CHURCH HOMEGROUPS

At Bar Hill Church we have six small groups who meet regularly both weekly and fortnightly, with a mixture of evening and daytime meetings. We hope that the groups facilitate discipleship, mission, fellowship, evangelistic outreach and pastoral care. We study a variety of popular biblical material; recent studies have included bible studies on the books of Romans and John as well as deeper insights in to the topics of prayer and worship. This year the groups also studied the television adaptation of 'The Passion of Christ' during the period of Lent. The current topic of study is 'praying through the Psalms'.

If you are interested in joining in the fellowship of a small group within the village please contact me at the Bar Hill Church office to discuss placing you in a suitable group.

BAR HILL CRICKET CLUB

E-mail problems resulted in last month's report not being received, so there's plenty to report, with some fine performances, including two centuries and a six-wicket haul.

The stars were Muhammad Iqbal, who made an unbeaten 128, then took 4-14 as Bar Hill beat Needingworth. Wayne Rowland made an unbeaten 119 and Barry Driver took six wickets as Bar Hill posted 275 for 8 against March III.

The Firsts lost a thriller against Wilburton by just one wicket. Bar Hill made 183 for 9, Wilburton were glad to sneak home with the last pair at the wicket and a ball to spare. The following week we beat Milton with a wicket to spare. The Firsts enjoyed a more routine victory at Little Downham on fete day, with the hosts dismissed for 83, Bar Hill reaching their target reached inside 17 overs. A defeat by six wickets at Haddenham followed, with Bar Hill all out for 118. The hosts galloped to victory in 21 overs. Priyal Perera took two wickets in his last match for the club before moving overseas. He has been a big part of the club in recent years and will be missed. The Firsts won their next two matches against Chatteris II and Cottenham II, but were defeated by five-wickets against Waterbeach.

Iqbal's heroics launched the Seconds on a fine run of victories. Cambourne II scored 71, and Bar Hill did not lose a wicket in reaching their target. Cambridge Granta IV scored 134 in reply to Bar Hill's 175. Cam Kerala were dismissed for 94; Bar Hill reached this target for the loss of two wickets. Finally, Girton II were beaten by 48 runs, with Bar Hill scoring 155 for 9; Girton were dismissed for 102.

In the Cambridge Business Houses Cup, the Doblbers were beaten, but Bar Hill lost in the quarter-finals against Allstars.

The youth players had their first taste of action in friendlies again Cambourne, Longstanton and Histon and acquitted themselves well, which bodes well for next year, when it is hoped we will enter a team in the CYCA league.

There was also a fun parents-versus-children match, won by the youth team. John Cornwell took two wickets and Harry Peterson made 21 among many good performances from the youngsters. We are planning some winter training sessions for the youth team – see our website for details.

Finally, many thanks to all those who availed themselves of our barbecue on fete day. We always enjoy the day and it was nice to see so many people having fun on the green. Special thanks to Barkers Bakery for their generous donation of rolls and loan of the van.

NEIGHBOURHOOD WATCH

Need a tradesperson to do some work around your home? Safety advice recommends that, rather than responding to cold callers, you approach two or three companies and compare written quotes.

You could: • ask friends and neighbours for recommendations; • approach advertisers in this magazine; • or use Buy With Confidence.

This is an approved trader scheme set up by Cambridgeshire Trading Standards to support and promote good, reliable tradesmen in the county. Listed traders have been independently checked for their commitment to customer service and for compliance with consumer law. They continue to be monitored by regular visits and by feedback from customers.

To find a Buy With Confidence member: • enter your postcode at www.buywithconfidence.gov.uk; • call the Citizens Advice Consumer Helpline on 08454 040506; • ask your local library staff to assist you.

Trading Standards are keen to extend the scheme, so if you know a reliable local trader please nominate them at bwc@cambridgeshire.gov.uk. Also if you are a trader and would like to become a scheme member, you can apply at www.buywithconfidence.gov.uk.

Let's all promote good traders and above all, don't respond to cold callers on your doorstep without getting other quotes to compare. Their offer may sound very tempting but is it genuinely a good deal? Be very wary of talk about 'a special discount just for you', 'the offer is only available today' or similar phrases. Genuine salespersons should not pressurise you into a decision.

Be safe – don't be sorry.

MEMORIAL GARDEN UPDATE

I am pleased to report that the Memorial Plaques are now in position. On 28th July following Morning Worship, the Rev Charles Mather, Minister of Bar Hill, conducted a short service to remember all those who are named on the Plaques.

The Memorial Garden continues to mature. We are always looking for new colleagues particularly those with the "Green Finger Touch". Please contact Chris below.

Should anyone like to make a donation, however small, it is much appreciated. We have an account at the Cambridge Building Society: "Bar Hill Memorial Garden Fund"; Account No. 1768402740.

If anyone is interested in having a plaque erected in the Memorial Garden, the cost is £75. Please contact me on 01954 781978 for further details.

SEPTEMBER BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

Harvest is upon us and we are calling on local residents to help fight against straw stack arson. Stack fires can quickly spread and not only endanger people and livestock, but also life-long work on farms. Stacks burn very slowly meaning crews are committed for long periods, making them unavailable for other emergencies. Don't forget, many of the firefighters attending incidents like these in rural parts of our county are on-call personnel, and their retention at a stack fire impacts directly upon business and services in their community.

We are working with police, neighbourhood watches and farm groups to drive stack arson down, including installing covert cameras to help bring those responsible to justice.

What can you do? We are urging everybody in rural areas to keep a careful watch. Become a community member of Arson Watch and keep an eye on stacks in your area. Report suspicious activity to police on 101 and dial 999 if you see a stack fire. Like our fan page on Facebook: www.facebook.com/cambsfrs, follow us on Twitter @cambsfrs.

To find out if you are eligible for a free home fire safety check, call 0800 917 9994.

HAVE A FUN DAY OUT WITH YOUR DOG

On Sunday 8 September, as part of the Food, Farming and Countryside Day at Milton Country Park, there will be a fun dog show in aid of Hearing Dogs for Deaf People. Why not make a day of it? Have lunch in the excellent café and check out all the other stalls. The park is very dog friendly and you can have a leisurely off lead walk in most of the park prior to joining in with the fun at the dog show.

There will be 12 classes, which include a fun scurry (how fast can your dog jump over logs to retrieve a toy?), an obstacle course (if the dog can't manage the obstacle then the owner has to do it!), a fastest sit competition plus cutest puppy, golden oldie and best trick to name but a few. There will be certificates and rosettes for 1st to 3rd in each class, the winner of each class will receive some dog food and there will be some lucky entrant number prizes. Best in show will also receive a rather special prize.

We will be taking entries from 11.00am and classes start at noon. Each class is £1.50 per dog to enter. Veterinary Surgeons from Village Vet will be judging. Trophy Pet Foods will be there with their dog food, toys and accessories and Hearing Dogs will be selling merchandise, running a tombola and a book stall, and we will have lots of information about the charity. Hopefully there will be some trainee Hearing Dog Pups to make a fuss of too.

If you need any further information please contact Pam Harper, Hearing Dog Puppy Socialiser pjh@harpersonline.com 01954 781664; OR Jenny Parker, Hearing Dogs for Deaf People, Cambridge Branch Co-ordinator jennifer.parker5@btopenworld.com 01223 833562 (evenings preferred)

Hope to see lots of you with your dogs on 8 September.

Pam & Jenny

REPORT TO PARISH COUNCIL SEPTEMBER 2013

REPORT FROM YOUR COUNTY COUNCILLOR JOHN REYNOLDS.

Fracking (or hydraulic fracturing)

I have set out below the position on this important issue.

Fracking (or hydraulic fracturing) is carried out at significant depths underground. The drilling of a vertical well is followed by directional drilling into rock seams thought to contain gas/oil. High pressure fluid and small explosive charges are used to shatter the rock and the resultant cracks are filled with sand to provide a porous pathway for fluid/gas to escape and be flushed into the production water. The source rock for this process is usually shale or clay strata.

The drilling of such wells, and the establishment of any gas/oil production facility, will require planning permission from the Mineral Planning Authority and the normal community consultation arrangements for planning applications will apply to any proposals received. In July 2013 the government published a planning guidance note on onshore oil and gas for Mineral Planning Authorities.

Any planning applications received will be considered within the context of the policies of the National Planning Policy Framework and the council's adopted minerals plan where safeguarding policies are set out in respect of visual amenity and highways impacts, protection of ground and surface waters, sustainable management of wastes, air quality and noise and disturbance. In certain circumstances the proposals may be subject to the process of Environmental Impact Assessment involving detailed consultation with the other regulatory bodies involved.

Cambridgeshire County Council as the Mineral Planning Authority for the County, and would have to consider any proposals for onshore oil and gas extraction. To date the Mineral Planning Authority is not aware of any Exploration Licences being awarded by the government within Cambridgeshire. The authority has not received any approaches from potential developers at this point. John Reynolds is a member of the County Planning committee.

A14 Improvements

The Government confirmed it would be bringing forward the £1.5 billion project to improve the A14, with a provisional start date of 2016. Local Parish Councils are being consulted on a range of options. I understand a formal round of consultation is to take place in September-October.

How to keep in touch

Many individuals, the Parish Council and other groups receive my more detailed monthly email. If you wish to receive this, please contact me:

j.e.reynolds@ntlworld.com.

Northstowe – progress

Some time ago the local Planning Committee agreed, subject to a large number of conditions, the approval for the first 1500 homes at Northstowe. Detailed negotiations between the developers Gallagher's, Homes and Community Agency, Central Government and local authorities have been agreed. We expect work will start on the archaeology excavations in September-October and should last about six months. The contractor's main ground works including main sewers, roads and drains should start in March-April 2014.

LITTLE ACORNS PRE-SCHOOL

Little Acorns is a privately owned pre-school. We provide a wide range of activities to promote children's early learning and development.

We are open Monday to Friday from 9am–3 pm during term time. Children may come for a minimum of 2½ hours during this period up to the maximum of 6 hours per day, which would include lunch.

Children are able to start pre-school as soon as they are 2 years old.

Nursery Education Funding (15 hours free per week) is available in the term after the child's 3rd birthday.

We are registered to offer places to children on the 'free twos' scheme. If you are on income support you may be eligible for 10 hours per week of free care for your 2 year old. Please ask us for more information about referral or visit the children's centre who will also be able to advise you about this.

All our staff hold early years' qualifications and are trained in first aid and child protection.

For more information or to register your child please see our new website at www.littleacornspreschoolbarhill.co.uk or e-mail us at littleacorns.barhill@ntlworld.com. Or during session time please phone Sally or Gail on 07851 803083.

We are situated just off the green next to the primary school; please feel free to pop in for a visit. Alternatively we hold termly open mornings for all our new starters, when you and your child may visit together.

Our rooms are currently available to hire for children's parties and other events at very competitive rates. You don't have to attend pre-school to use this service. Please ring or e-mail for more information.

We look forward to meeting you and your child soon.

We are proud to offer many additional learning experiences for your child with regular visitors to the setting as well as exploring the community around us. The setting is intimate and comfortable and provides a safe environment for your child to learn and develop with their peers. The indoor area has a quiet corner for reading as well as a range of toys and equipment for your child to discover. Bin collections/Dog fouling

Bin collections in South Cambridgeshire have been given a big thumbs up, with 97% of residents agreeing that the service is as good as, or better than, 12 months ago.

The South Cambridgeshire District Council satisfaction survey showed that, overall, 89% of residents are satisfied with the service, a one per cent increase from 2011. Householders were also asked what could be done to improve the service, with the largest number of comments calling for an increase in the capacity of green and blue bins so that residents can recycle even more.

Asked about their local environment, dog poo not being picked up was highlighted as an issue of concern by 52% of respondents. However the majority of those who reported incidents were satisfied with the Council's response.

The survey was sent to 2,200 randomly selected residents, the Council's consultation panel and was publicised on the council's website, Facebook page and Twitter feed.

Residents who want to report persistent dog fouling problems in their local area can do so here:

www.scambs.gov.uk/form-type/report-it.

It just shows you can win!

Two families will be winging their way to Duxford Air Show next month after scooping family tickets in SCDC's residents' magazine competition. Laura Potter from Swavesey and Jaymes Sinclair from Girton won the prizes donated by IWM Duxford after being drawn from hundreds of entries.

Play Area

The Parish Council has been informed by several parents that some dog owners are allowing their dogs in to the main play area on the village green. There are signs on the fencing asking owners to keep their dogs out of this area as small children are playing here at all times. PLEASE be a responsible owner and keep control of your dog.

Perimeter Road Footpaths

In response to a letter I have received with regard to the possibility of creating more footpaths around the perimeter road. At the time the Parish Council had the existing paths created it was to link the streets to the bus stops and post boxes and this cost over £100k. Unfortunately, to have more paths created would cost in the region of £250k and that sort of funding is not available.

Parish Council Meetings

The next Parish Council meeting will be held on Thursday 19th September at 7pm in the Parish Council Office and all members of the public and press are welcome to attend. There is also an Open Forum at the start of each meeting for residents to put their views across.

IS RENEWABLE ENERGY FOR YOU?

Cambridge County Council Trading Standards

As solar panels become a common sight, you may be wondering what options are available to save or even generate your own energy, but it can be daunting knowing where to start. At Trading Standards we want to help you find a trader you can trust and make sure you know what you can expect of these businesses.

When considering the options available to you, the Energy Saving Trust (www.energysavingtrust.org.uk) is a good place to start. They are an independent organisation that provides free, expert advice on saving energy in your home. Their website contains extensive information, and they also have a helpline which can be contacted on 0300 1231234 at national rate.

There are a range of businesses that offer home assessment visits to advise you on options. It is important to shop around to ensure they are reputable, and the price is fair, before agreeing to any work.

As always, we would recommend getting three quotes to ensure the installation price and projections are reasonable. Check the terms and conditions carefully before agreeing to any work.

If you encounter any problems with an assessor, installer or any type of business and need some advice, please contact our advice partner, the Citizens Advice Consumer Helpline, on 08454 040506 (national rate).

STAY INDEPENDENT, SAFE AND WELL

Visitors to Bar Hill Library will have the chance to find out about local services to help themselves and people they care for stay independent, safe and well when the Your Life, Your Choice adult social care roadshow comes to the library from 4th–28th September 2013.

The roadshow features a display of information to help people remain in their own homes for as long as possible and, for those needing support, provides details of local services and support. The display will be available at the Library during opening hours.

If you are unable to visit the roadshow the Your Life, Your Choice website www.yourlifeyourchoice.org.uk provides information about local services and support to help you stay independent, safe and well. You can also get help and advice by contacting adult social care enquiries at Cambridgeshire Direct on 0345 045 5202.

"Sing and Sign" is designed especially for all babies and toddlers, deaf or hearing. Signs are mainly based on Makaton, which are the easiest for babies to understand and copy with their tiny hands. Class sizes are strictly limited to 12 babies, so that the teacher can give each child and carer the learning support that they deserve.

Parents and carers bring babies generally from six months old to "Sing and Sign" classes and feel the benefit of starting early. The adults learn the signs in a fun way while the babies enjoy the singing and music. Older babies and toddlers can also start at any age up to around 24 months and enjoy the fun and interactive aspects of the classes. Stage 2 classes for toddlers are more physically active and teach signs for age appropriate topics.

Baby signing helps to avoid the dreaded tantrums by enabling your baby to tell you what they want! As they become toddlers and start talking, the signs continue to help them to be understood while they improve on the clarity of their speech. This all helps to advance speech development; toddlers who have used baby signing commonly have a wider vocabulary than their peers.

Free Taster sessions are available. Classes run termly in Bar Hill and at other venues around Cambridge. For more information about "Sing and Sign" visit www.singandsign.com and click on the Classes link.

You can also email singandsigncambridge@yahoo.com or call /text 07732 380191.

We also use the safe environment of the school playground for outdoor play. A snack, such as pasta, filled pittas etc followed by a biscuit and fresh fruit is provided. ...a note from the editor...a note from the editor...a note from the editor...a note from the editor...

I mentioned last month about bringing back an Events Calendar to Bar Hill News.

I've since been told that the Maple Surgery Patient Participation Group* publishes an excellent leaflet with regular activities and useful contacts.

Here's a link: <http://www.maple-ppg.org/miscellanea/leaflets/activities.pdf>.

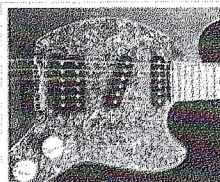

There seems little point in duplicating information when such a comprehensive leaflet is already available, but I'm happy to hear your thoughts on this. Please do continue to send your 'non-regular' events for publication.

* The Maple Surgery Patient Participation Group also publishes a leaflet about its regular Health Walks:

- BAR HILL COLTS U7'S BLADES - END OF SEASON/SUMMER ROUND UP

It was a turbulent end to the last season as we had coaches come and go, but myself and Mark are now fully committed to the Blades. We would like to take this opportunity to thank the players and parents for their support during the transition.

In June the Bar Hill Colts attended a football tournament in Willingham where all teams played really well.

Blades Under 8's team from Willingham tournament

We also had a friendly at home with Cambourne where the Blades played very well overall, with some exceptional goal keeping from Josh and George W. We scored two goals, the first coming from Aston Wilson with a long run down the right and a clean strike into the bottom corner. The second came from Lewis Norden in the third quarter where he skipped past two of the opposition and smashed it into the back of the net. We were unlucky not to score more and hopefully we will even things up next time.

We are all looking forward to the upcoming season and welcome any support from local residents, so if you see blue and white playing on the green come and cheer us on!

SIMPLE LAMB BIRYANI

Ingredients

400g lamb boneless shoulder, diced
2 teaspoons garlic purée
2 teaspoons ginger purée
2 tablespoons balti curry paste
Juice of 2 lemons
1 tablespoon vegetable oil
1 onion, finely sliced
2 garlic cloves, sliced
2 fresh bay leaves, torn
1 cinnamon stick, broken in half
3 whole cloves
6 cardamom pods, crushed to expose the seeds
300g basmati rice
700ml chicken stock
100g frozen British garden peas, defrosted
15g fresh coriander leaves, washed and chopped
20g toasted flaked almonds to garnish

Method

For the marinade, combine the lamb with garlic and ginger purées, 1 tablespoon of balti curry paste, juice of a lemon and ½ teasp salt in a bowl. Cover and leave to marinate in the fridge for 2 hours (or overnight if possible).

Preheat oven to 200°C, fan 180°C, gas 6. On the hob, heat the oil in a flameproof casserole over a high heat and cook the lamb for 5 minutes until browned. Add the onion for 3-5 minutes until soft. Stir in the garlic and remaining curry paste, and cook for 30 seconds before adding bay leaves, cinnamon, cloves, cardamom pods and rice. Stir to coat the lamb and rice all over. Pour in the hot stock, scraping the bits from the bottom of the pan, and season to taste. Bring to a simmer. Cover with foil followed by a tight-fitting lid and place in the oven to cook for 20 minutes until the rice is tender. Remove from the oven and stir through the peas. Remove the cloves, then sprinkle with the chopped coriander leaves, remaining lemon juice, and scatter with the flaked almonds to serve.
